Rock Climbing in Nagarjun Forest Itinerary

Day 1: We drive from Kathmandu city center to the gate, 20 min, hike about 45 min till the climbing spot, 2 hours rock climbing, have packed lunch and return back to hotel.

Nagarjuna Rock Climbing is the nearest climbing spot in the Kathmandu Valley inside the Sivapuri - Nagarjuna National Park.

The location has different charm in terms of spectacular view, forest inside, protected areas and so on.

We can be in the entrance with in 20 minutes drive from Thamel, Kathmandu.

We hike up to the spot, manage everything necessary there and have adventure and fun climbing the natural rock.

After a while, we take our packeted lunch and return back to hotel
